About This Content

Increase the visual fidelity of Borderlands 2 and its DLC with upgraded and remastered environment, character, and weapon textures. Playing at 4K resolution will provide the greatest enhanced visuals, but improvements can be seen on lower resolution displays as well.

Ultra HD Texture Pack Includes:

- Remastered 4K environment textures, including geometry and skyboxes
- Remastered 4K characters and vehicles
- Remastered 4K weapon meshes and textures
- Improved Anti-Aliasing implementation, including improved edge line implementation
 - This includes improved ink line definition and framing/outline around character models
- Improved Screen Space Ambient Occlusion
 - An improved SSAO method for more realistic ambient lighting.
- Higher Resolution Dynamic Shadows

-
- Improved quality and smoothness of shadows, especially during movement

*If you encounter performance issues after installing this texture pack please uninstall the DLC by quitting the game and then unchecking the texture pack in your DLC list in the Steam Library.
